

# ANTI-STATIC SPRAY

- + A pre-cleaner and static reducer all in one application
- + For use on plastic, metal, and aluminum parts. Results in a cleaner, less dirty painted surface
- + Creates near dirt free paint job
- + Alcohol and DI water remove contamination
- + Our special anti-static additive removes 99% of the static charge created by sanding, wiping, and blowing a part off

**Use Before  
Painting**

**Part #8005  
32oz. Bottle**
